- Easy to see where you sprayed.
- Foam expands into hard-to-reach places.
- Scientifically formulated to kill Pyrethroid-resistant Bed Bug strains.
- Non-staining.

Kills Bed Bugs and bed bug eggs.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### SHAKE WELL BEFORE EACH USE.

**HOLD CONTAINER UPRIGHT WITH NOZZLE POINTED AWAY FROM YOU. PRESS VALVE AND SPRAY FROM A DISTANCE OF 8 TO 10 INCHES. SPRAY UNTIL DAMP.**

#### FOR INDOOR USE ONLY

**Raid® Bed Bug Foaming Spray** effectively kills all stages of bed bugs in residential structures. **Raid® Bed Bug Foaming Spray's** technology provides residual control for up to four weeks after application and is formulated to target pyrethroid resistant as well as susceptible bed bug strains. **Raid® Bed Bug® Foaming Spray** also kills bed bug nymphs and eggs by contact. Apply **Raid Bed Bug Foaming Spray** as an indoor crack and crevice, spot treatment, or direct spray application (according to application instructions) in non-food areas including but not limited to: residential, vehicles, apartments, and kennels. This product will not stain water-safe fabrics or surfaces, however care should be taken to test an inconspicuous area for staining prior to use.

**TO KILL BED BUGS (Adults, Nymphs and Eggs):** For best results, vacuuming surfaces is recommended prior to treatment. Spray bed bugs and eggs directly wherever possible. Spray surfaces thoroughly, paying special attention to areas where bed bugs and their eggs hide including on and around baseboards, floorboards, millwork, bed frames, headboards, wall hangings, furniture, door and window frames, walls, closets, window treatments, beneath floor coverings, as well as other non-washable items that may come in contact with bed bugs such as luggage, shoes and backpacks. If treating a pet's living environment, spray on and around pet beds, bedding, floors, sleeping areas and furnishings. Do not spray product directly on pets. Allow treated surfaces to dry thoroughly prior to being contacted by people or pets.

#### MATTRESS, CARPET AND UPHOLSTERED FURNITURE APPLICATION:

**Raid® Bed Bug Foaming Spray** can be directly applied to mattresses and box springs. Infested bed linens should not be treated. These should be removed, tightly sealed in a plastic bag, laundered and dried at high temperatures prior to re-use. Vacuuming surfaces prior to treatment is highly recommended. Spray product directly to mattress surface paying special attention to seams, folds, tufts and edges as well as bed frames and box springs where bed bugs harbor. Clean linen should be put on bed prior to reuse.

For use on upholstered furniture, spray directly to seams, folds, tufts and edges. Allow treated surfaces to dry thoroughly prior to being contacted by people or pets.

When treating carpets, floor coverings or rugs, spray on and around baseboards, floorboards and along edges of carpeting. Apply enough product to get spray coverage to the bottom of the carpet and pad where bed bug larvae may be feeding. Spray under rugs.

### USE RESTRICTIONS

THIS PRODUCT IS NOT FOR USE ON HUMANS OR ANIMALS.

In the home, all food/feed processing surfaces and utensils should be covered during treatment, or thoroughly washed before use.

Cover or remove exposed food/feed.

Remove pets, birds and cover fish aquariums before spraying.

This product will not stain water-safe fabrics and surfaces, however care should be taken to test an inconspicuous area for staining prior to use.

DO NOT allow adults, children or pets to enter treated area until sprays are dry.

DO NOT apply to plants or crops.

DO NOT treat areas when occupants are present.

DO NOT apply as a space spray.

DO NOT wet articles to the point of runoff or drip.

DO NOT use treated articles until spray has dried.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE STORAGE:** Do not store near heat or open flame. Store in cool dry area away from children. Keep from freezing.

**CONTAINER DISPOSAL:** Do Not Puncture or Incinerate! **If empty:** Place in trash or offer for recycling if available.

**If partly filled:** Call your local solid waste agency or 1-800-529-3394 for disposal instructions.

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

### PHYSICAL AND CHEMICAL HAZARDS

Contents are under pressure. Do not use or store near heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Keep product from freezing. Do not apply this product in, on or around electrical equipment due to the possibility of shock hazard.
